

Awards - Pharmaceutical Science Congress

Victor S Dorodny

Founder and Chief Scientist, Naturopathy and traditional Medical Science (NEW™) Institute

California, USA, Email: Dorodny@medscape.com

We are delighted to invite you to the 3rd *International Conference and Exhibition on Pharmaceuticals and Advanced Drug Delivery Systems* held in Paris, France on February 05 - 06, 2021.

The conference's root motive is *Future Outlook & Rising Applications of Pharmaceuticals & Drugs*.

The Pharmaceutical Sciences Congress will certainly have fresh perspectives for knowledge in pharmaceutical science and product design, researchers and scholars, medical societies, clinicians, psychologists, business experts as well as business partners, investors, government officials, academics and other stakeholders.

Participants will be given the special recognition awards at this Pharmaceutical Science Conference in the following categories: keynote speaker, speaker, Young Research Group, poster presentation etc.

Pharmaceutical Science 2021 - Organizing Group

Throughout the meeting, the Organizing Committee performs a huge responsibility to function because they should be the President, Co-Chair for different sessions to deliver their debate for our purpose. Given their work, commitment, evaluating the sessions, we would give them the best Member Give for Organizing Committee.

The committee leader is given this coveted award to successfully execute the three basic functions: preparing and strategy, strategy implementation, job operations.

The organizing committee will preferably have smart info, skills, and event capabilities. If so, organizing committee organizations will perform the tournament activities directly at the chance. Participants in the planning committee appear to be the most relevant and diligent members, and usually they volunteer to do this research.

The award is intended for the professionals who have rendered excellent achievements in the area of pharmaceuticals and medicines. This distinction is the conference's most coveted honor, which is why it is often recognized as the Scientific Service Achievement Medal. Someone that has at least 20 + years of related topic area expertise is eligible for this prize.

Pharmaceutical Science 2021- BEST KEYNOTE SPEAKER

The Best Keynote Speaker Award is the speech that was considered to be the strongest in the keynote series. Our distinguished speakers will speak during the various sessions for 45 minutes, recognizing the excellence of our distinguished speakers by considering their expertise, competence, thematic creativity, shopper testimonials & references, presentation skills, unique subject matter.

The award will be awarded for exceptional academic accomplishment or contribution to the Pharmaceuticals and Drugs field. The qualifying requirement for this award is that a total of 10 + years of academic

experience in the relative area of pharmaceuticals and Drugs will be eligible.

Pharmaceutical Science 2021 - BEST SPEAKER

Pharmaceutical Science 2020 means offering the award to the best plenary talks for achieving a positive commitment in their respective field during an influential and impactful lecture. The first-class speaker award is given with an Introduction, CV, and context of the lecture.

The prizes will be given to the individual plenary speakers based on the scores received by the chair and co-chair of the session

Pharmaceutical Science 2021 - BEST YOUNG RESEARCH FORUM AWARD

Our student presenters also earn the best award under the YRF Category for their excellent success in this area. A candidate with an outstanding performance at the Pharmaceutical Science 2021 conference will be given the Highest YRF Performance award. The award is suggested based on an objective level of ability and should find all student presenters eligible for this award. But the conference chair determines which presentation will receive the Best YRF Presentation Award based on the results offered by the evaluation committee for every demonstration by the conferences student presenters.

“3rd International Conference on Pharmaceuticals and Advanced Drug Delivery systems” offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Pharmaceuticals and Drugs. This Pharmaceutical Science 2021 conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

Pharmaceutical Science 2021 - BEST POSTER AWARD

The Best Poster Award honors the established research benefit inside poster design and guidance. The Chair points out which poster should win the Best Poster Presentation Prize. The decision rests with the moderator of the workshop, the appraisal panel and the president of the committee. The judgment requires for the presentation are the versatility to explain the overall mission and the satisfaction in viewing the poster.

Pharmaceutical Science 2021 includes many poster presentations and one poster presenter will be nominated for Best Poster Presentation Award by the speakers designated as poster judges. Allied Academies seeks to have a forum to convey their scientific findings, opinions to all the talented students, scientists and aspiring scholars.

3rd International Conference and Exhibition on Pharmaceuticals and Advanced Drug Delivery systems

The award is given to Masters / PhD/Post-Doctoral candidates who are willing to deliver their research and projects or who have achieved the same with long-term achievement in the category of worthy applicants.
